

Mounts Bay Academy Street Design Project

Could you participate in our community event?
Tuesday 14th January 2025

Sustrans is working with Cornwall Council and Mounts Bay Academy to create safer, more youth-friendly, accessible and attractive streets for all to enjoy. Read the back of the leaflet to learn more about the project and how you can get involved.

Project Overview

We are running a **community-led street design project** to improve the environment outside the school, as well as along surrounding streets on route to the school, to support more families and local people to actively travel (walk, wheel and cycle).

We need your help!

The Sustrans team will be running online and in-person opportunities to take part in the project from January to March 2024. These will engage the school and local community to review the current issues, discuss opportunities and design together some street improvements.

Summary: Community-Led Street Design Engagement

Date: Tuesday 14th January 2025

Times: 5.00-7.00 pm (drop-in) at Mounts Bay Academy foyer

Free refreshments are available, just turn up

Cannot attend?

If you can't attend the event, you can still give us feedback by scanning the QR Code or visiting:

bit.ly/MountsBay

If you have any questions about the project, you can contact: **MountsbaySS@sustrans.org.uk**

We work for and with communities, helping them come to life by walking, wheeling and cycling.

We campaign to create healthier places and happier lives for everyone.

Join us on our journey. **www.sustrans.org.uk**
